# About Us

Dhiraj Petrochemical and Gas Private Limited, a leading name in the trading and importing of premium quality bitumen and petrochemical products. Since our incorporation in 2018, we have been dedicated to delivering top-notch products and exceptional service, ensuring that our clients receive the highest standards in the industry.

## *Our Branch Office:*

**Dubai | Vadodara**

**Dhiraj Pandey**  
**Chairman**

Dhiraj Petrochemical and Gas Private Limited was founded under the visionary leadership of **Dhiraj Pandey**. With a keen understanding of the market and a commitment to excellence, Mr. Pandey established our company to meet the growing demand for superior petrochemical products. Our journey began with a clear mission: to provide premium quality products while maintaining the utmost integrity and professionalism in our operations.

# About US

## *What We Provide*

At Dhiraj Petrochemical and Gas Private Limited, we specialize in trading and importing a wide range of high-quality bitumen and petrochemical products. Our extensive product portfolio is designed to meet the diverse needs of our clients across various industries. We are committed to sourcing only the best materials, ensuring that our products meet stringent quality standards and provide optimal performance.

### *Quality*

We prioritize quality in everything we do, from sourcing products to delivering them to our clients. Our stringent quality control processes ensure that our products meet the highest industry standards.

### *Integrity*

We conduct our business with honesty and transparency, building trust with our clients and partners.

### *Innovation*

We continuously seek innovative ways to improve our products and services, staying ahead of industry trends and technological advancements.

# Services

## BITUMEN VG 10

## BITUMEN VG 10

The essential choice for cost-effective road construction. This versatile, viscosity-grade bitumen guarantees excellent performance and adherence, making it ideal for various asphalt applications. Trust Bitumen VG 10 for dependable road surfaces that stand the rest of time.

## BITUMEN VG 30

Your trusted solution for superior road construction. This high-quality, viscosity-grade bitumen offers unmatched durability and weather resistance, ensuring long-lasting and resilient road surfaces. Choose Bitumen VG 30 for a smoother, safer, and more sustainable road infrastructure.

## BITUMEN VG 30

## BITUMEN VG 40

## BITUMEN VG 40

Your ultimate solution for heavy-duty road projects. This high-viscosity grade bitumen offers exceptional durability and resilience, perfectly suited for demanding asphalt applications. Choose Bitumen VG 40 for rugged road surfaces built to endure even the toughest conditions.

## FUEL OIL

Fuel consisting mainly of residues from crude-oil distillation. It is used primarily for steam boilers in power plants, aboard ships, and in industrial plants. Commercial fuel oils usually are blended with other petroleum fractions to produce the desired viscosity and flash point.

## FUEL OIL

# Services

## EMULSION RS 1

## EMUSLION RS 1

The ultimate choice for road preservation and rejuvenation. This rapid-setting asphalt emulsion is designed to efficiently restore road surfaces, filling cracks and protecting against wear and weather damage. Depend on Emulsion RS1 for a cost-effective solution that extends the lifespan of your roads.

## EMUSLION RS 2

This product has been specifically developed to provide waterproofing and building application, concrete and metal surface. The high flash point and the low solvent content make RS-1 an easy to use and a safe product.

## EMULSION RS 2

## EMULSION SS2

## EMULSION SS2

Your top-tier solution for versatile road construction and repair projects. This medium-setting asphalt emulsion offers exceptional adhesion and durability, making it ideal for various applications, including surface treatments and sealing. Choose Emulsion SS2 for reliable, long-lasting road surfaces that meet your project's needs.

## FURNACE OIL

Your dependable source of energy for industrial and heating applications. This high-quality fuel oil offers efficient combustion, reliable performance, and cost-effective heating solutions for various industries. Trust Furnace Oil to keep your operations running smoothly and efficiently.
